# INVESTMENT TRUSTS AND INVESTMENT COMPANIES

THURSDAY, JUNE 13, 1940

HOUSE OF REPRESENTATIVES,  
SUBCOMMITTEE OF THE COMMITTEE ON  
INTERSTATE AND FOREIGN COMMERCE,  
*Washington, D. C.*

The subcommittee met at 10 a. m., in the committee room, Hon. William P. Cole, Jr. (chairman of the subcommittee), presiding.

Mr. COLE. The subcommittee will come to order.

H. R. 8935 was introduced March 14, 1940, by Mr. Lea, of California. A companion bill, S. 3580, was introduced, at the same time in the Senate by Senator Wagner.

Since that time the State Committee on Banking and Currency held extensive hearings on S. 3580, a companion measure to H. R. 8935, with the result that S. 4108 was reported on June 6 by the Senate Committee on Banking and Currency.

In order to have that bill before us in House form also, (with the approval of Mr. Lea,) I introduced yesterday the same bill in the House, which is H. R. 10065.

It is upon all of these bills that the hearing before this subcommittee will be held.

I think that the committee will be more interested in the last two bills I mentioned, which present the views of the Senate Committee on Banking and Currency and with which we understand the industry is in agreement.

(The House bill is as follows:)

[H. R. 10065, 76th Cong., 3d sess.]

A BILL To provide for the registration and regulation of investment companies and investment advisers, and for other purposes

*Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,*

## TITLE I—INVESTMENT COMPANIES

### FINDINGS AND DECLARATION OF POLICY

Sec. 1. (a) Upon the basis of facts disclosed by the record and reports of the Securities and Exchange Commission made pursuant to section 30 of the Public Utility Holding Company Act of 1935, and facts otherwise disclosed and ascertained, it is hereby found that investment companies are affected with a national public interest in that, among other things—

(1) the securities issued by such companies, which constitute a substantial part of all securities publicly offered, are distributed, purchased, paid for, exchanged, transferred, redeemed, and repurchased by use of the mails and means and instrumentalities of interstate commerce, and in the case of the numerous companies which issue redeemable securities this process of distribution and redemption is continuous;

(2) the principal activities of such companies—investing, reinvesting, and trading in securities—are conducted by use of the mails and means and instrumentalities of interstate commerce, including the facilities of national securities exchanges, and constitute a substantial part of all transactions effected in the securities markets of the Nation;

(3) such companies customarily invest and trade in securities issued by, and may dominate and control or otherwise affect the policies and management of, companies engaged in business in interstate commerce;

(4) such companies are media for the investment in the national economy of a substantial part of the national savings and may have a vital effect upon the flow of such savings into the capital markets; and

(5) the activities of such companies, extending over many States, their use of the instrumentalities of interstate commerce and the wide geographic distribution of their security holders, make difficult, if not impossible, effective State regulation of such companies in the interest of investors.

(b) Upon the basis of facts disclosed by the record and reports of the Securities and Exchange Commission made pursuant to section 30 of the Public Utility Holding Company Act of 1935, and facts otherwise disclosed and ascertained, it is hereby declared that the national public interest and the interest of investors are adversely affected—

(1) when investors purchase, pay for, exchange, receive dividends upon, vote, refrain from voting, sell, or surrender securities issued by investment companies without adequate, accurate, and explicit information, fairly presented, concerning the character of such securities and the circumstances, policies, and financial responsibility of such companies and their management;

(2) when investment companies are organized, operated, managed, or their portfolio securities are selected, in the interest of directors, officers, investment advisers, depositors, or other affiliated persons thereof, in the interest of underwriters, brokers, or dealers, in the interest of special classes of their security holders, or in the interest of other investment companies or persons engaged in other lines of business, rather than in the interest of all classes of such companies' security holders;

(3) when investment companies issue securities containing inequitable or discriminatory provisions, or fail to protect the preferences and privileges of the holders of their outstanding securities;

(4) when the control of investment companies is unduly concentrated through pyramiding or inequitable methods of control, or is inequitably distributed, or when investment companies are managed by irresponsible persons;

(5) when investment companies, in keeping their accounts, in maintaining reserves, and in computing their earnings and the asset value of their outstanding securities, employ unsound or misleading methods, or are not subjected to adequate independent scrutiny;

(6) when investment companies are reorganized, become inactive, or change the character of their business, or when the control or management thereof is transferred, without the consent of their security holders;

(7) when investment companies by excessive borrowing and the issuance of excessive amounts of senior securities increase unduly the speculative character of their junior securities; or

(8) when investment companies operate without adequate assets or reserves.

It is hereby declared that the policy and purposes of this title, in accordance with which the provisions of this title shall be interpreted, are to mitigate and, so far as is feasible, to eliminate the conditions enumerated in this section which adversely affect the national public interest and the interest of investors.

#### GENERAL DEFINITIONS

SEC. 2. (a) When used in this title, unless the context otherwise requires—

(1) "Advisory board" means a board, whether elected or appointed, which is distinct from the board of directors or board of trustees, of an investment company, and which is composed solely of persons who do not serve such company in any other capacity, whether or not the functions of such board are such as to render its members "directors" within the definition of that term, which board has advisory functions as to investments but has no power to determine that any security or other investment shall be purchased or sold by such company.

(2) "Affiliated company" means a company which is an affiliated person.

(3) "Affiliated person" of another person means (A) any person directly or indirectly owning, controlling, or holding with power to vote, 5 per centum or more of the outstanding voting securities of such other person; (B) any person 5 per centum or more of whose outstanding voting securities are directly or indirectly owned, controlled, or held with power to vote, by such other person; (C) any person directly or indirectly controlling, controlled by, or under common control with, such other person; (D) any officer, director, partner, copartner, or employee of such other person; (E) if such other person is an investment company, any investment adviser thereof or any member of an advisory board thereof; and (F) if such other person is an unincorporated investment company not having a board of directors, the depositor thereof.

(4) "Assignment" includes any direct or indirect transfer or hypothecation of a contract or chose in action by the assignor, or of a controlling block of the assignor's outstanding voting securities by a security holder of the assignor; but does not include an assignment of partnership interests incidental to the death or withdrawal of a minority of the members of the partnership having only a minority interest in the partnership business or to the admission to the partnership of one or more members who, after such admission, shall be only a minority of the members and shall have only a minority interest in the business.

(5) "Bank" means (A) a banking institution organized under the laws of the United States, (B) a member bank of the Federal Reserve System, (C) any other banking institution, whether incorporated or not, doing business under the laws of any State or of the United States, a substantial portion of the business of which consists of receiving deposits or exercising fiduciary powers similar to those permitted to national banks under section 11 (k) of the Federal Reserve Act, as amended, and which is supervised and examined by State or Federal authority having supervision over banks, and which is not operated for the purpose of evading the provisions of this title, and (D) a receiver, conservator, or other liquidating agent of any institution or firm included in clauses (A), (B), or (C) of this paragraph.

(6) "Broker" means any person engaged in the business of effecting transactions in securities for the account of others, but does not include a bank or any person solely by reason of the fact that such person is an underwriter for one or more investment companies.

(7) "Commission" means the Securities and Exchange Commission.

(8) "Company" means a corporation, a partnership, an association, a joint-stock company, a trust, a fund, or any organized group of persons, whether incorporated or not; or any receiver, trustee in bankruptcy, or similar official or any liquidating agent for any of the foregoing in his capacity as such.

(9) "Control" means the power to exercise a controlling influence over the management or policies of a company, unless such power is solely the result of an official position with such company.

Any person who owns beneficially, either directly or through one or more controlled companies, more than 25 per centum of the voting securities of a company shall be presumed to control such company. Any person who does not so own more than 25 per centum of the voting securities of any company shall be presumed not to control such company. A natural person shall be presumed not to be a controlled person within the meaning of this title. Any such presumption may be rebutted by evidence, but except as hereinafter provided, shall continue until a determination to the contrary made by the Commission by order either on its own motion or on application by an interested person. If an application filed hereunder is not granted or denied by the Commission within sixty days after filing thereof, the determination sought by the application shall be deemed to have been temporarily granted pending final determination of the Commission thereon. The Commission, upon its own motion or upon application, may by order revoke or modify any order issued under this paragraph whenever it shall find that the determination embraced in such original order is no longer consistent with the facts.

(10) "Convicted" includes a verdict, judgment, or plea of guilty, or a finding of guilt on a plea of nolo contendere, if such verdict, judgment, plea, or finding has not been reversed, set aside, or withdrawn, whether or not sentence has been imposed.

(11) "Dealer" means any person regularly engaged in the business of buying and selling securities for his own account, through a broker or otherwise, but does not include a bank, insurance company, or investment company, or any person insofar as he is engaged in investing, reinvesting, or trading in securities, or in

(12) "Director" means any director of a corporation or any person performing similar functions with respect to any organization, whether incorporated or unincorporated, including any natural person who is a member of a board of trustees of a management company created as a common-law trust.

(13) "Employees' securities company" means any investment company or similar issuer all of the outstanding securities or which (other than short-term paper) are beneficially owned (A) by the employees or persons on retainer of a single employer or of two or more employers each of which is an affiliated company of the other, (B) by former employees of such employer or employers, (C) by members of the immediate family of such employees, persons on retainer, or former employees, (D) by any two or more of the foregoing classes of persons, or (E) by such employer or employers together with any one or more of the foregoing classes of persons.

(14) "Exchange" means any organization, association, or group of persons, whether incorporated or unincorporated, which constitutes, maintains, or provides a market place or facilities for bringing together purchasers and sellers of securities or for otherwise performing with respect to securities the functions commonly performed by a stock exchange as that term is generally understood, and includes the market place and the market facilities maintained by such exchange.

(15) "Face-amount certificate" means any certificate, investment contract, or other security which represents an obligation on the part of its issuer to pay a stated or determinable sum or sums at a fixed or determinable date or dates more than twenty-four months after the date of issuance, in consideration of the payment of periodic installments of a stated or determinable amount (which security shall be known as a face-amount certificate of the "installment type"); or any security which represents a similar obligation on the part of a face-amount certificate company, the consideration for which is the payment of a single lump sum (which security shall be known as a "fully paid" face-amount certificate).

(16) "Government security" means any security issued or guaranteed as to principal or interest by the United States, or by a person controlled or supervised by and acting as an instrumentality of the Government of the United States pursuant to authority granted by the Congress of the United States; or any certificate of deposit for any of the foregoing.

(17) "Insurance company" means a company which is organized as an insurance company, whose primary and predominant business activity is the writing of insurance or the reinsuring of risks underwritten by insurance companies, and which is subject to supervision by the insurance commissioner or a similar official or agency of a State; or any receiver or similar official or any liquidating agent for such a company, in his capacity as such.

(18) "Interstate commerce" means trade, commerce, transportation, or communication among the several States, or between any foreign country and any State, or between any State and any place or ship outside thereof.

(19) "Investment adviser" of an investment company means (A) any person (other than a bona fide officer, director, trustee, member of an advisory board, or employee of such company, as such) who pursuant to contract with such company regularly furnishes advice to such company with respect to the desirability of investing in, purchasing or selling securities or other property, or is empowered to determine what securities or other property shall be purchased or sold by such company, and (B) any other person who pursuant to contract with a person described in clause (A) regularly performs substantially all of the duties undertaken by such person prescribed in clause (A); but does not include (i) a person whose advice is furnished solely through uniform publications distributed to subscribers thereto, (ii) a person who furnishes only statistical and other factual information, advice regarding economic factors and trends, or advice as to occasional transactions in specific securities, but without generally furnishing advice or making recommendations regarding the purchase or sale of securities, (iii) a company furnishing such services at cost to one or more investment companies, insurance companies, or other financial institutions, (iv) any person the character and amount of whose compensation for such services must be approved by a court, or (v) such other persons as the Commission may by rules and regulations or order determine not to be within the intent of this definition.

(20) "Investment banker" means any person engaged in the business of underwriting securities issued by other persons, but does not include an investment company, any person who acts as an underwriter in isolated transactions but not

as a part of a regular business, or any person solely by reason of the fact that such person is an underwriter for one or more investment companies.

(21) "Issuer" means every person who issues or proposes to issue any security, or has outstanding any security which it has issued.

(22) "Lend" includes a purchase coupled with an agreement by the vendor to repurchase; "borrow" includes a sale coupled with a similar agreement.

(23) "Majority-owned subsidiary" of a person means a company 50 per centum or more of the outstanding voting securities of which are owned by such person, or by a company which, within the meaning of this paragraph, is a majority-owned subsidiary of such person.

(24) "Means or instrumentality of interstate commerce" includes any facility of a national securities exchange.

(25) "National security exchange" means an exchange registered under section 6 of the Securities Exchange Act of 1934.

(26) "Periodic payment plan certificate" means (A) any certificate, investment contract, or other security providing for a series of periodic payments by the holder, and representing an undivided interest in certain securities or in a unit or fund of securities purchased wholly or partly with the proceeds of such payments, and (B) any security the issuer of which is also issuing securities of the character described in clause (A) and the holder of which has substantially the same rights and privileges as those which holders of securities of the character described in clause (A) have upon completing the periodic payments for which such securities provide.

(27) "Person" means a natural person or a company.

(28) "Principal underwriter" of or for any investment company other than a closed-end company, or of any security issued by such a company, means any underwriter who as principal purchases from such company, or pursuant to contract has the right (whether absolute or conditional) from time to time to purchase from such company, any such security for distribution, or who as agent for such company sells or has the right to sell any such security to a dealer or to the public or both, but does not include a dealer who purchases from such company through a principal underwriter acting as agent for such company. "Principal underwriter" of or for a closed-end company or any issuer which is not an investment company, or of any security issued by such a company or issuer, means any underwriter who, in connection with a primary distribution of securities, (A) is in privity of contract with the issuer or an affiliated person of the issuer; (B) acting alone or in concert with one or more other persons, initiates or directs the formation of an underwriting syndicate; or (C) is allowed a rate of gross commission, spread, or other profit greater than the rate allowed another underwriter participating in the distribution.

(29) "Promoter" of a company or a proposed company means a person who, acting alone or in concert with other persons, is initiating or directing, or has within one year initiated or directed, the organization of such company.

(30) "Prospectus", as used in section 22, means a written prospectus intended to meet the requirements of section 5 (h) of the Securities Act of 1933 and currently in use. As used elsewhere, "prospectus" means a prospectus as defined in the Securities Act of 1933.

(31) "Redeemable security" means any security, other than short-term paper, under the terms of which the holder, upon its presentation to the issuer or to a person designated by the issuer, is entitled (whether absolutely or only out of surplus) to receive approximately his proportionate share of the issuer's current net assets, or the cash equivalent thereof.

(32) "Reorganization" means (A) a reorganization under the supervision of a court of competent jurisdiction; (B) a merger or consolidation; (C) a sale of 75 per centum or more in value of the assets of a company; (D) a restatement of the capital of a company, or an exchange of securities issued by a company for any of its own outstanding securities; (E) a voluntary dissolution or liquidation of a company; (F) a recapitalization or other procedure or transaction which has for its purpose the alteration, modification, or elimination of any of the rights, preferences, or privileges of any class of securities issued by a company, as provided in its charter or other instrument creating or defining such rights, preferences, and privileges; (G) an exchange of securities issued by a company for outstanding securities issued by another company or companies, preliminary to and for the purpose of effecting or consummating any of the foregoing; or (H) any exchange of securities by a company which is not an investment company for securities issued by a registered investment company.

(33) "Sale," "sell," "offer to sell," or "offer for sale" includes every contract of sale or disposition of, attempt or offer to dispose of, or solicitation of an offer

to buy, a security or interest in a security, for value. Any security given or delivered with, or as a bonus on account of, any purchase of securities or any other thing, shall be conclusively presumed to constitute a part of the subject of such purchase and to have been sold for value.

(34) "Sales load" means the difference between the price of a security to the public and that portion of the proceeds from its sale which is received and invested or held for investment by the issuer (or in the case of a unit investment trust, by the depositor or trustee), less any portion of such difference deducted for trustee's or custodian's fees, insurance premiums, issue taxes, or administrative expenses or fees which are not properly chargeable to sales or promotional activities. In the case of a periodic payment plan certificate, "sales load" includes the sales load on any investment company securities in which the payments made on such certificate are invested, as well as the sales load on the certificate itself.

(35) "Security" means any note, stock, treasury stock, bond, debenture, evidence of indebtedness, certificate of interest or participation in any profit-sharing agreement, collateral-trust certificate, preorganization certificate or subscription, transferable share, investment contract, voting-trust certificate, certificate of deposit for a security, fractional undivided interest in oil, gas, or other mineral rights, or, in general, any interest or instrument commonly known as a "security," or any certificate of interest or participation in, temporary or interim certificate for, receipt for, guarantee of, or warrant or right to subscribe to or purchase, any of the foregoing.

(36) "Short-term paper" means any note, draft, bill of exchange, or banker's acceptance payable on demand or having a maturity at the time of issuance of not exceeding nine months, exclusive of days of grace, or any renewal thereof payable on demand or having a maturity likewise limited; and such other classes of securities, of a commercial rather than an investment character, as the Commission may designate by rules and regulations.

(37) "State" means any State of the United States, the District of Columbia, Alaska, Hawaii, Puerto Rico, the Philippine Islands, the Canal Zone, the Virgin Islands, or any other possession of the United States.

(38) "Underwriter" means any person who has purchased from an issuer with a view to, or sells for an issuer in connection with, the distribution of any security, or participates or has a direct or indirect participation in any such undertaking, or participates or has a participation in the direct or indirect underwriting of any such undertaking; but such term shall not include a person whose interest is limited to a commission from an underwriter or dealer not in excess of the usual and customary distributor's or seller's commission. As used in this paragraph the term "issuer" shall include, in addition to an issuer, any person directly or indirectly controlling or controlled by the issuer, or any person under direct or indirect common control with the issuer. When the distribution of the securities in respect of which any person is an underwriter is completed such person shall cease to be an underwriter in respect of such securities.

(39) "Value", with respect to assets of registered investment companies, except as provided in subsection (b) of section 28 of this title, means—

(A) as used in sections 3, 5, and 12 of this title, (i) with respect to securities owned at the end of the last preceding fiscal quarter for which market quotations are readily available, the market value at the end of such quarter; (ii) with respect to other securities and assets owned at the end of the last preceding fiscal quarter, fair value at the end of such quarter, as determined in good faith by the board of directors; and (iii) with respect to securities and other assets acquired after the end of the last preceding fiscal quarter, the cost thereof; and

(B) as used elsewhere in this title, (i) with respect to securities for which market quotations are readily available, the market value of such securities; and (ii) with respect to other securities and assets, fair value as determined in good faith by the board of directors;

in each case as of such time or times as determined pursuant to this title, and the rules and regulations issued by the Commission hereunder. Notwithstanding the fact that market quotations for securities issued by controlled companies are available, the board of directors may in good faith determine the value of such securities: *Provided*, that the value so determined is not in excess of market value.

For purposes of the valuation of those assets of a registered diversified company which are not subject to the limitations provided for in section 5 (b) (1), the Commission may, by rules and regulations or orders, permit any security to be carried at cost, if it shall determine that such procedure is consistent with the

general intent and purposes of this title. For purposes of sections 5 and 12, in lieu of values determined as provided in clause (A) above, the Commission shall by rules and regulations permit valuation of securities at cost or other basis in cases where it may be more convenient for such company to make its computations on such basis by reason of the necessity or desirability of complying with the provisions of any United States revenue laws or rules and regulations issued thereunder, or the laws or the rules and regulations issued thereunder of any State in which the securities of such company may be qualified for sale.

The foregoing definition shall not derogate from the authority of the Commission with respect to the reports, information, and documents to be filed with the Commission by any registered company, or with respect to the accounting policies and principles to be followed by any such company, as provided in sections 8, 30, and 31.

(40) "Voting security" means any security presently entitling the owner or holder thereof to vote for the election of directors of a company. A specified percentage of the outstanding voting securities of a company means such amount of its outstanding voting securities as entitles the holder or holders thereof to cast said specified percentage of the aggregate votes which the holders of all the outstanding voting securities of such company are entitled to cast. The vote of a majority of the outstanding voting securities of a company means the vote, at the annual or a special meeting of the security holders of such company duly called, (A) of 67 per centum or more of the voting securities present at such meeting, if the holders of more than 50 per centum of the outstanding voting securities of such company are present or represented by proxy; or (B) of more than 50 per centum of the outstanding voting securities of such company, whichever is the less.

(41) "Wholly-owned subsidiary" of a person means a company 95 per centum or more of the outstanding voting securities of which are owned by such person, or by a company which, within the meaning of this paragraph, is a wholly-owned subsidiary of such person.

(42) "Securities Act of 1933", "Securities Exchange Act of 1934", "Public Utility Holding Company Act of 1935", and "Trust Indenture Act of 1939" mean those Acts, respectively, as heretofore or hereafter amended.

(b) No provision in this title shall apply to, or be deemed to include, the United States, a State, or any political subdivision of a State, or any agency, authority, or instrumentality of any one or more of the foregoing, or any corporation which is wholly owned directly or indirectly by any one or more of the foregoing, or any officer, agent, or employee of any of the foregoing acting as such in the course of his official duty, unless such provision makes specific reference thereto.

#### DEFINITION OF INVESTMENT COMPANY

SEC. 3. (a) When used in this title, "investment company" means any issuer which—

(1) is or holds itself out as being engaged primarily, or proposes to engage primarily, in the business of investing, reinvesting, or trading in securities;

(2) is engaged or proposes to engage in the business of issuing face-amount certificates of the installment type, or has been engaged in such business and has any such certificate outstanding; or

As used in this section, "investment securities" includes all securities except (A) Government securities, (B) securities issued by employees' securities companies, and (C) securities issued by majority-owned subsidiaries of the owner which are not investment companies.

(b) Notwithstanding paragraph (3) of subsection (a), none of the following persons is an investment company within the meaning of this title:

The filing of an application under this paragraph by an issuer other than a registered investment company

shall exempt the applicant for a period of sixty days from all provisions of this title applicable to investment companies as such. For cause shown, the Commission by order may extend such period of exemption for an additional period or periods. Whenever the Commission, upon its own motion or upon application, finds that the circumstances which gave rise to the issuance of an order granting an application under this paragraph no longer exist, the Commission shall by order revoke such order.

For the purposes of this paragraph, beneficial ownership by a company shall be deemed to be beneficial ownership by one person; except that, if such company owns 10 per centum or more of the outstanding voting securities of the issuer, the beneficial ownership shall be deemed to be that of the holders of such company's outstanding securities (other than short-term paper).

The Commission shall be given appropriate notice prior to any such determination and shall be entitled to be heard.
