New York City

Hon. President F.D. Roosevelt,
White House, Wash. D.C.

Dear Mr. President,

I am an employee of a New York Stock Exchange House. It has been emphasized to me that the passage of the "Fletcher Rayburn Bill" will number me and many of my coworkers among the unemployed.

I am parentless and depend solely for my income from my present position. Therefore I beg of you to aid in the defeat of this measure that will deprive me of the little I ask for.

Yours Truly,

Sarah Agrillo
