Dear Jack:

You were most kind in writing to me and enclosing the clipping from the Boston Herald.

It is a source of great satisfaction to feel that the job we are trying to do here is meeting with approval in the minds of people who really think. I am hopeful, however, of getting it concluded to a point where I feel that I can return home to the family, because I am not only carrying it on at a great financial loss, but -- which is much more important -- I have been away from the family for ten months now, and am very anxious to get back. I can't leave, however, until I feel the job is well done.

With my sincere appreciation of your good wishes and my best to Marie and yourself, I am,

Sincerely,

Mr. John J. Daly
