

SECURITIES AND EXCHANGE COMMISSION

WASHINGTON

ROBERT E. HEALY
COMMISSIONER

Wednesday Nov. 27 35

Dear Ted:

You missed it. You should have stayed with us. We get sued every five minutes. Mac. T- opens the door and says: "That man is here again" and the U.S. Marshall walks in with hands every one a ball of complaint, showing no partiality - not missing anyone. If Eddie had not left they might have honored him.

I expect to leave here Tuesday P.M. - my talk is Friday P.M. + I should be back in NY - Monday at 9th - so I must leave Sunday. If you were in that part of the world where I am + I miss you, I'll be sure - you will -

With best wishes

Very truly

Robert E. Healy

Excuse haste and a poor pen,
